you in having a successful excursion to our chocolate factory and museum.**

## Our Museum

Pannys Amazing World of Chocolate Museum is the latest addition to our complex. Learn about cocoa harvesting, how chocolate is made and their vital ingredients. Other viewings include the Statue of David (made from chocolate), mural of Dame Edna consisting of 12,000 chocolate pieces, and the chocolate village where even the buildings are made of chocolate.

You also get to counterbalance a 1 tonne chocolate block and test your chocolate knowledge. Students will enjoy the challenge of testing their knowledge of chocolate. The Chocolate Fall made from 400 litres of chocolate is on display as well. Our chocolatiers will be here making chocolate as you enjoy your time in “Pannys Amazing World of Chocolate”. Finally, the most exciting....**MAKE YOUR OWN CHOCOLATE!!!** How does vegemite chocolate sound? (NB: This is an additional cost of \$2.00 per bar) We look forward to seeing you!

It takes about an hour to go through our museum and we encourage students to ask questions of our staff and if you see Panny take the opportunity to learn some of the amazing facts he knows about chocolate!

## Resource Kits

We provide resource kits for pre and post visit explorations of chocolate making and the industry. These kits have worksheets and activity ideas that are linked directly to the Victorian Essential Learning Standards and help to develop knowledge prior to the visit and to extend what your students learn after the visit.
